Dear Exhibitor,

Thank you for working with us on your upcoming show!

The following items can be ordered and delivered into your booth prior to, or on your setup day. When you are done, the items are to be left in the booth so that we may verify the equipment return. If we are unable to verify the return of the equipment, we reserve the right to charge for the replacement costs of the items until they are returned to us.

In order to facilitate the ordering of these products – please have this sheet filled out and sent back to us at least one week prior to your setup date or you will be charged the day of ordering prices.

In addition to these items, please go to our web site at www.ue-mn.com and see if there are any other items you would like. Call for pricing. Please contact us directly by phone if you are not seeing something you need listed here.

I look forward to working with you!
