

# BARRY WENSEL'S NEW BOOK IS OUT!

**“The Old Man and the Tree” is a collection  
of how-to lessons learned from over  
65 years in the deer woods**

Author Barry Wensel wants to share his philosophies, strategies and “not so common hunting techniques” that have been so successful for him over the years. Much of what you’ll read is new material, opinions and strategies for hunting whitetails.

Barry WANTS you to succeed in the deer woods. He also wants you to share this new hunting knowledge with the younger generations as well. Over 300 pages and 29 chapters, “The Old Man and the Tree” will likely change the way you hunt whitetails for the rest of your life!
